Effectiveness:

Give a brief description of evidence you have that demonstrates effectiveness of your program/services. (This will be shared with parents).

INESC has had a significant impact on raising student scores in the KCMSD in reading for the past five years as indicated by program evaluations. Classroom teachers and parents have noticed an increase in reading appreciation, comprehension and scores. Students report an increase in reading enjoyment after participating in Young Readers. Last year, in 2005, students in the new Math Quest program raised their math scores.
